**Millsaps College** - B.A, Political Science 2018

**Notion Certified (2023) | Java Oracle Certified (2023) | HackerRank Certified (2023) | SQL Certified (2023)**

## PROFESSIONAL EXPERIENCE

---

### Onboarding Consultant | Madwire | Fort Collins, Colorado January - August 2022

- Facilitated hundreds of WordPress development training sessions with new clients, establishing deep user-knowledge with CRM software, site analytic tracking, front-end development skills, and back-end ecommerce functionality; allowing clients to successfully maintain their ecommerce and lead-gen websites on their own.
- Formalized website environment needs based on client requirements and limitations, including Zapier integrations, web hosting specifications, and CRM and Nurture software integrations.

### Logistics Director | Chism Strategies | Jackson, Mississippi April 2017 - September 2019

- Managed throughout the lifecycle of political survey projects for campaigns nationwide by using Microsoft Access, NGP Van, and L2, alongside data visualization techniques.
- Facilitated the implementation and company change-management process of adopting Salesforce by customizing rules and training staff in order to simplify business strategies and operations

## ADDITIONAL EXPERIENCE

---

**Bookseller | Rediscovered Books | Boise, Idaho March 2023 - Present**
